Interline travel: Qantas baggage allowance may not apply. If your travel on this ticket involves more than one airline, the baggage allowance of the most significant carrier in your itinerary will apply to each journey, except in relation to travel to, from or within the USA. Under US DOT regulations, if your travel to, from or within the USA involves more than one airline, the baggage rules of one airline will apply to all of the flights in your itinerary. This is determined by the first carrier in your itinerary. For travel between Australia and the USA, usually (but not always) Qantas' baggage allowance will apply to the whole itinerary.

Member Allowances: Qantas Frequent Flyer and Qantas Club member baggage allowances apply to travel on Qantas and QantasLink operated flights with a QF flight number on your ticket, excluding flights to or from Lord Howe Island and Mount Hotham. These allowances also apply to Emirates operated flights with an EK flight number between and within Europe, the Middle East, North Africa, Asia and Australia. These benefits are not cumulative.

Definitions: Domestic travel is travel that is not combined with any international flights on the same ticket. International travel is travel between two or more countries including any flight within those countries if it is combined with the international travel.

General: No single item of checked baggage may exceed 32kg (70lb). Carriage of baggage is subject to space availability and any applicable aircraft weight restrictions, which vary. Baggage exceeding the specified allowance may need to be accommodated on a later flight.

Visit qantas.com/baggage or the "Planning & Booking - Baggage" page of jetstar.com for important information regarding baggage restrictions. For additional and excess baggage rates visit qantas.com/additionalbaggage or jetstar.com.

Enhanced Security Screening - Powders, Liquids, aerosols and gels

Enhanced security measures apply on International flights to and from Australia; and on domestic sectors of international flights within Australia. Similar or more restrictive measures may apply for other countries. If you want to take powders, liquids, aerosols or gels through the screening point, make sure:

- each item is 100ml or less;
- all items fit comfortably in a transparent resealable 1 litre plastic bag (only 1 bag per person is allowed)

Exceptions: Prescription and non-prescription medicines and baby products that you need for the flight, but please note:

- proof of need may be required, and
- additional security checks may be performed
- All powders must be screened separately with restrictions on the carriage of inorganic powders over 350 millilitres (350 grams)

Note - Duty Free items: Duty free liquids, aerosols and gels not exceeding 100ml per item may be taken onboard in your transparent resealable 1 litre plastic bag. Government screening requirements vary between countries around the world, and duty free liquids, aerosols and gels which exceed 100ml may not always be permitted through a screening point at all airports on your journey. If your journey includes a flight with a transit stop or a transfer to an onward connecting flight, you may be required to take these items through the transit or transfer screening points where you may be required to surrender the item, and it will not be returned to you.

Qantas recommends that you visit [TravelSecure](#) for more information.

Carriage on Qantas or QantasLink is subject to our full Conditions of Carriage at qantas.com/carriage.

Some key conditions:

Travel or Health Documents: You are responsible for complying with any immigration policies, travel and health documentation requirements, government quarantine restrictions or conditions (including length of stay) that apply to your travel.

Check-in: Deadlines apply and you may be refused carriage if you are late. View Qantas' check-in times at qantas.com/checkintimes.

Oversale - Denied Boarding: If you are denied boarding because your carrier has oversold an international flight on which you are booked, you may be entitled to compensation in accordance with applicable regulations (for example, in the EU or USA), or carrier's policy. When required by applicable law or regulation, the carrier must solicit volunteers before anyone is denied boarding involuntarily. For Qantas' policy - ask at our international check-in counters.

Insurance: Travel insurance is recommended.

Liability Limits: If your journey involves a stop in a country different from that of departure, then the Montreal Convention or the Warsaw Convention may govern and limit the liability of all airlines for death or bodily injury and in respect of loss of or damage to baggage.

Approximate conversions of Special Drawing Rights (SDRs) are provided as a guide only and will be subject to change with currency conversion rates.

International	Warsaw (limits are per person)	Montreal (limits are per person)
Death and bodily injury	Qantas has waived its liability limits	No financial limit
Checked baggage	250 francs/kg (approx. A\$35/US\$22)	Special Drawing Rights (SDRs) 1,519 SDRs (approx AU\$3,133/US\$1,993)
Carry-on baggage (carrier fault)	5,000 francs max. (approx. A\$684/US\$436)	

Delay: For damage occasioned by delay to your journey, where the Montreal Convention applies, the limit of liability is 6,303 SDRs (approx AU\$13,002/US\$8,270) per passenger in most cases. Where the Warsaw Convention applies, the carrier may be liable for damage occasioned by delay, subject to the Convention limit.

Defences: The Conventions provide certain defences to liability on which we may rely in some circumstances. For further information read the Liability section at qantas.com/carriage.

Domestic (no international sectors on itinerary)	Australia (limits are per person)	New Zealand (limits are per person)
Death and bodily injury	A\$925,000	NZ\$100,000 [^]
Checked baggage	A\$3,000	NZ\$2,000 per unit of baggage
Carry-on baggage	A\$300	No liability except to extent our fault.
Delay	Your rights are limited by Qantas' Conditions of Carriage subject, in New Zealand, to rights under the Civil Aviation Act 1990 (NZ).	

[^]The liability of a carrier for death or injury will be excluded for any passenger who at the time of the accident has cover for personal injury arising from the accident under the Accident Compensation Act 2001 (NZ).

Baggage General: Comply with your carrier's baggage allowances and do not include fragile or perishable articles, precious metals, jewellery, money, rare items, business papers or other important documents or valuables (including cameras and electronic equipment) in your checked baggage. For Qantas' baggage allowances visit qantas.com/baggage.

Delays and Cancellation: If travelling on Qantas, we will use all reasonable efforts to depart on time, but we do not guarantee flight times. If your flight is delayed or cancelled, you may in some circumstances be entitled to assistance and/or compensation depending on your journey and applicable law.

Seating: Qantas does not guarantee you any particular seat even if your reservation is confirmed.

Specific Assistance: Qantas requires advance notice for some accommodations that passengers with disabilities may need, and passengers with disabilities may need to check in earlier than other passengers. For details, visit qantas.com/fitness.

Taxes, Fees and Carrier Charges: The charges, surcharges and taxes included in your fare or shown separately on your ticket may not be levied by a government authority but may be airport operator or carrier imposed. Details can be provided by your travel consultant.

Other Carriers/Non-Airline Transport: Except where you are travelling on a "QF" code, if Qantas issues a ticket or itinerary/receipt or checks baggage for carriage on another carrier, it does so only as agent for the other carrier and their conditions of carriage will apply to those services. The air carrier's conditions of carriage do not apply to any non-airline travel included in your booking. The operator's conditions of carriage may significantly limit or exclude liability. Ask your travel consultant for details.

Time Limit for Action: Any action in court to claim damages relating to your carriage must be brought within two years from the date of arrival of the aircraft or from the date on which the aircraft ought to have arrived.

Baggage Claims: There are time limits within which a claim must be made in writing to your carrier in circumstances of loss, damage or delay of your baggage. Some limits are as short as three days. Check with your carrier's Baggage Claims.

Privacy: Our privacy statement is available at qantas.com/privacy.

Dangerous Goods: For safety reasons, dangerous articles must not be packed in checked or carry-on baggage. Prohibited articles include but are not limited to: compressed gases, corrosives, explosives, flammable liquids and solids, radioactive materials, oxidising materials, poisons, infectious substances, and briefcases with installed alarm devices.
